This will acknowledge receipt of your letter dated January 21. We are reviewing the letter at this time, but I do want to respond to your first procedural question. The February 11, 2009 agenda item concerning the Poseidon Carlsbad Desalination Facility will be an adjudicatory proceeding. I attach for your reference an August 2, 2006 memorandum from the Chief Counsel of the State Water Resources Control Board summarizing regulations governing adjudicative proceedings before the regional boards.

We also want to talk with you about the first and second public notices for this matter for the February 11th hearing.
